

Updated: October 17, 2019

CURRICULUM VITAE

Leila Glass, Ph.D.

PROFESSIONAL EMPLOYMENT

- Clinical Neuropsychologist, Private Practice** 2019-present
E-mail: drglass@neuroguidancecenter.com
Website: www.neuroguidancecenter.com
Phone: 424.209.2511
- Psychologist, University of California, Los Angeles (UCLA)** 2019-present
Program for Education and Enrichment of Relational Skills (PEERS) Program
Semel Institute for Neuroscience and Human Behavior
- Team Member, The Brain Learning Center** 2019-present
Website: www.thebrainlearningcenter.com

PROFESSIONAL LICENSE

- Psychologist (California) PSY 30698** 2019

EDUCATION

- UCLA Semel Institute for Neuroscience and Human Behavior, Los Angeles, CA** 2017-2019
Lifespan Clinical Neuropsychology Fellow
Medical Psychology Assessment Clinic, David Geffen School of Medicine
Chief Fellow – 2018-2019
- UCSD/SDSU Joint Doctoral Program in Clinical Psychology, San Diego, CA** 2017
Doctor of Philosophy, Neuropsychology Track, APA Accredited
Dissertation Chair: Sarah Mattson, Ph.D.
Dissertation: Characterizing Reading Ability in Children with Prenatal Alcohol Exposure
- UCLA Predoctoral Internship in Clinical Psychology, Los Angeles, CA** 2016-2017
Pediatric Neuropsychology Track, APA Accredited
- SDSU/UCSD Joint Doctoral Program in Clinical Psychology, San Diego, CA** 2013
Master of Science, Clinical Psychology
Thesis: Cognitive Factors Contributing to Spelling Performance in Children with Prenatal Alcohol Exposure
- University of Pennsylvania, Philadelphia, PA** 2010
Bachelor of Arts, Cognitive Neuroscience
Honors Thesis: Neural Correlates of Numerical Processing in Children with Focal Pediatric Brain Injury

GRANT SUPPORT

- NIAAA F-31 NRSA Predoctoral Fellowship** 2013-2016
Mechanisms of Reading-Related Dysfunction in Fetal Alcohol Spectrum Disorders
- NIAAA T-32 NRSA Predoctoral Fellowship** 2011-2013
Alcohol Research in the Scientist/Practitioner Model (PI: Edward Riley, Ph.D.)

CLINICAL EXPERIENCE

Updated: October 17, 2019

UCLA Medical Psychological Assessment Clinic 2017-2019
Semel Institute for Neuroscience and Human Behavior
Lifespan Neuropsychology Postdoctoral Fellow

Preceptors: Patricia Walshaw, Ph.D., Robert Bilder, Ph.D. ABPP/CN

Supervisors: Leah Ellenberg, Ph.D., ABPP/CN, Carlos Saucedo, Ph.D., ABPP/CN, Talin Babikian, Ph.D., ABPP/CN, Jeffrey Schaeffer, Ph.D. ABPP/CN, Xavier Cagigas, Ph.D., Paola Suarez, Ph.D., Robert Tomaszewski, Ph.D., George Henry, Ph.D., Heleya Rad, Psy.D., Steven Castellon, Ph.D., Oren Boxer, Ph.D., Karen Wilson, Ph.D., Roger Light, Ph.D., ABPP/CN, Amy Schonfeld, Ph.D., Karen Schiltz, Ph.D., Ani Dillon, Psy.D.

Two year clinical neuropsychology postdoctoral fellowship designed to meet all requirements to be eligible for external certification in Clinical Neuropsychology by the American Board of Professional Psychology/American Board of Clinical Neuropsychology (ABPP/ABCN). Didactic and educational opportunities follow the Division 40 and Houston guidelines for training in neuropsychology. Development and management of externship program. Assist with day to day operations of administration of Medical Psychological Assessment Center (MPAC).

Program for Education and Enrichment of Relational Skills (PEERS), UCLA 2017-2019
Postdoctoral Fellow

Supervisors: Elizabeth Laugeson, Psy.D.

Lead PEERS for Young Adults, a 16-week evidence based social skills group developed at UCLA.
Conduct intake assessments for PEERS for Young Adults and PEERS for Adolescents.

UCLA Medical Psychological Assessment Center, Pediatric Neuropsychology Track 2016-2017
Semel Institute for Neuroscience and Human Behavior
Pediatric Neuropsychology Intern

Supervisors: Sandra Loo, Ph.D., Patricia Walshaw, Ph.D., Carlos Saucedo, Ph.D., ABPP/CN, Oren Boxer, Ph.D., Robert Bilder, Ph.D., ABPP/CN, Leah Ellenberg, Ph.D., ABPP/CN, E. Delany Thrasher, Ph.D., ABPP/CN, Roger Light, Ph.D., ABPP/CN, Karen Schiltz, Ph.D.,

Neuropsychological assessment service with a focus on pediatric neuropsychology. Cases include a focus on evaluations for pre-surgical epilepsy, traumatic brain injury, learning disorders, neurodevelopmental disorders, and complex medical cases. Exposure to neurodiagnostic procedures including WADA testing and intra-operative brain mapping. Attend didactics relevant to clinical training. Rotation designed to meet Division 40 and Houston guidelines for training in neuropsychology.

Neurobehavioral Epilepsy Program, UCLA 2016-2017
Pediatric Neuropsychology Intern

Supervisors: Patricia Walshaw, Ph.D.

Diagnostic assessment of individuals who have psychogenic nonepileptic seizures or mixed presentation. Assess individuals with conversion diagnoses and issues related to neurological and physical manifestations of psychological issues. Conduct psycho-diagnostic assessment, integrate information, write comprehensive evaluations, and provide feedback to patients.

Program for Education and Enrichment of Relational Skills (PEERS) for Preschool, UCLA 2016-2017
Pediatric Neuropsychology Intern

Supervisors: Elizabeth Laugeson, Psy.D.

Help to facilitate the PEERS for Preschool social skills group developed at UCLA. PEERS for Preschool is a 16-week empirically supported, parent-assisted social skills treatment program for young children diagnosed with difficulty in peer interactions and friendships.

Updated: October 17, 2019

UCSD Neuropsychological Associates

2015-2016

Doctoral Practicum Student

Supervisors: Vincent Filoteo, Ph.D., Carrie McDonald, Ph.D., ABPP/CN, Christina Wierenga, Ph.D.

Outpatient lifespan neuropsychological assessment service.

Rady Children's Hospital, Inpatient Child and Adolescent Psychiatry Service

2015-2016

Doctoral Practicum Student

Supervisors: Sandra Brown, Ph.D., ABPP/CN

Psychodiagnostic evaluation, neuropsychological assessment, and individual and group psychotherapy for children and adolescents within a locked psychiatric inpatient unit. Therapy techniques include CBT, DBT, and MI. Patient population includes a wide range of diagnoses including autism spectrum disorders, primary psychotic disorders, severe mental illness, depressive and anxiety disorders, developmental disorders, and other neurological and psychiatric diagnoses. Weekly group and individual supervision.

San Diego State University Psychology Clinic

2015-2016

Doctoral Practicum Student

Supervisors: Vanessa Malcarne, Ph.D

Co-supervision of second year doctoral students conducting therapy at an outpatient clinic. Patient population includes individual therapy with adults, children, and couples.

San Diego VA Neuropsychology Assessment Unit

2014-2015

Doctoral Practicum Student

Supervisors: Mark W. Bondi, Ph.D., ABPP/CN, Greg G. Brown, Ph.D., ABPP/CN, Vincent Filoteo, Ph.D.

Administration, interpretation, and communication of neuropsychological assessment for the San Diego VA population using a primarily flexible battery approach. Referrals include dementia evaluations and evaluation of cognitive concerns within a complex psychiatric (PTSD, depression, anxiety) or substance use history.

UCSD Outpatient Psychiatric Services, Department of Psychiatry

2014-2015

Doctoral Practicum Student

Supervisor: Robert K. Heaton, Ph.D., ABPP/CN

Advanced training in interpretation and communication of neuropsychological evaluations using the expanded Halstead-Reitan battery. Case conceptualization, presentation, and preparation of neuropsychological reports. Includes discussion regarding forensic casework. Weekly group supervision.

Rady Children's Hospital, Outpatient Psychiatry

2013-2014

Doctoral Practicum Student

Supervisors: Katherine Williams, Ph.D.

Training in differential diagnosis and intervention within an interdisciplinary outpatient setting. Patient population included emotional/behavioral concerns, developmental disabilities, cognitive concerns, and other neurological and psychiatric diagnoses. Conducted intake interviews, psychotherapy (CBT, MI, DBT), psychodiagnostic evaluation, and neuropsychological assessment.

San Diego State University Psychology Clinic

2012-2013

Doctoral Practicum Student

Supervisors: Vanessa Malcarne, Ph.D., Monica Ulibarri, Ph.D.

Conduct psychotherapy primarily within a CBT framework, with adjunctive training in MI and ACT. Patient population includes couples, children, and adults. Weekly group supervision and didactics.

Updated: October 17, 2019

RESEARCH EXPERIENCE

Center for Behavioral Teratology, San Diego State University 2011-Present
Primary Advisor: Sarah Mattson, Ph.D.

Collaborate on and develop novel research projects related to fetal alcohol spectrum disorders. Conduct neuropsychological assessment for a variety of populations including children with heavy prenatal alcohol exposure, children with ADHD or other behavioral concerns or psychopathology, children with Jacobsen syndrome, and typically developing children.

NIH, National Institute of Neurological Disorders and Stroke, Cognitive Neuroscience Section 2010-2011
Primary Advisors: Jordan Grafman, Ph.D., Frank Krueger, Ph.D., Eric Wassermann, M.D.

Primary assessor for the Warfighter Head Injury Study at NINDS. Conduct weeklong test batteries including behavioral, neuropsychological, and experimental measures on patients with traumatic brain injury and age- and combat-history matched controls.

Children's Hospital of Philadelphia, Pediatric Stroke Program 2008-2010
Primary Advisor: Sabrina Smith, M.D., Ph.D.

Developed and administered a brief neuropsychological battery for children with histories of stroke.

Institute for Research in Cognitive Science, Penn Infant Language Center 2007-2009
Primary Advisor: Daniel Swingley, Ph.D.

Ran habituation studies and other linguistic experiments for typically developing children.

HONORS AND AWARDS

Chief Fellow, UCLA Medical Psychological Assessment Center 2018-2019
Tarjan Center Developmental Disabilities Scholar Travel Award 2016-2017
Kenneth R. Warren Merit Award, FASD Study Group 2015
University of California, San Diego Travel Award 2012, 2013, 2014, 2015, 2016
Fetal Alcohol Spectrum Disorder Study Group Travel Award 2013
Research Society on Alcoholism Student Merit Award 2012, 2013, 2014, 2015
The Trustees' Council of Penn Women Research Award 2010
President of the Penn Bioethics Society, Editor of Penn Bioethics Journal 2009 - 2010

INVITED TALKS/LECTURES

Assessment Course, Pepperdine University Graduate School of Education and Psychology 2019
Invited guest lecture for master's level course - *Pediatric Neuropsychological Assessment*

UCLA TIES for Families, In Service Training 2019
Interdisciplinary program to optimize growth and development for foster/adoptive children
Fetal Alcohol Spectrum Disorders - Assessment and Intervention

Intern Seminar, Department of Psychology UCLA 2019
Licensure and other considerations for clinical psychologists in California

Tarjan Center Lecture Series, UCLA 2018
What Happens Next? The transition to adulthood for individuals with fetal alcohol spectrum disorders and other developmental disabilities

Neuropsychology Brown Bag Lunch, UCLA 2018
Neuropsychological Assessment across the Lifespan: Clinical Considerations

Updated: October 17, 2019

PROFESSIONAL CERTIFICATIONS AND MEMBERSHIPS

PEERS Certified Provider (Program for Education and Enrichment of Relational Skills) 2017
PEERS for Preschoolers, PEERS for Adolescents, and PEERS for Young Adults.

Certificate for PREP (Parent Participatory Engagement Project) 2014
The PREP program focuses on developing and examining methods to increase parent active participation in outpatient child mental health services. Three-month program with individualized supervision and tailored training, in addition to a two-day workshop.

Certificate for AIM-HI (An Individualized Mental Health Intervention for Children with ASD) 2014
AIM HI is a comprehensive intervention designed to address behavior problems in children ages 5 to 13 with ASD and co-occurring psychiatric conditions. Training included integrating a systematic treatment planning process and research-based behavioral and cognitive-behavioral treatment methods using a parent-training model. Two-day workshop and a six-month program of individualized supervision and tailored training.

Professional Memberships

California Psychological Association (Neuropsychology, Division 8) 2019-Present

International Neuropsychology Society 2013-Present

Research Society in Alcoholism 2011-Present

Fetal Alcohol Spectrum Disorder Study Group 2011-Present

American Psychological Association, (Neuropsychology, Division 40) 2011-Present
